Course Guide

Training Arrangements

This course will be conducted over two days (8 hours per session) of face-to-face training and assessment.

Alternatively, please contact us at 1300 WEUPSKILL to arrange a private session or onsite training.

Assessment Arrangements

Assessment methods used for this qualification will provide individuals opportunities to demonstrate that they have met the required outcomes including:

- Theoretical assessments
- Observations

Additional Support

All students will be provided with a range of learning support options and resources to help them achieve competency. This may include:

- Student Counsellor
- Mentoring from Trainers
- Computer and technology support
- Referral to external support services

Australian Pacific Institute of Technology will provide additional support for any students experiencing:

- Disability and access issues;
- Language barriers;
- Language, literacy and numeracy issues;
- Employment issues; and/or
- Any other issues that may affect their ability to achieve their training goals.

Provision of additional support services will be provided where necessary to enable students to participate in the same way as any other person regardless of whether support services have been required.

Where there is perceived difficulty in achieving learning goals, the trainer will discuss these issues with the student. The student will be provided with information about possible alternative courses, additional tools and resources available, and options and choices for accessing a supportive network.

The information provided will vary depending on the individual needs of the student.
